Continued

Hardware

- Intel® Pentium® processor (minimal)
- Dual Core Processor Workstation or higher (Intel® or AMD® processors) (recommended)
- Qualified hardware-accelerated OpenGL® 2.1 (or higher recommended) professional graphics card with latest graphics driver available on vendor's site
- 2 GB free hard drive space. Setup requires additional temporary disk space for your system's temporary folder when decompressing files during installation.
- 2 GB of RAM minimum and recommended for 32-bit operating systems
- 4 GB of RAM minimum for 64-bit operating systems. 8 GB of RAM recommended.
- Network adaptor with internet connection for licensing (non-internet connected licensing is also supported)
- A DVD drive if installing the software or browsing the media

For the latest list of qualified hardware, including graphics cards, to run MotionBuilder® 2011, refer to the MotionBuilder® 2011 qualification chart located at www.autodesk.com/motionbuilder-hardware.
